Board Views New Program

The two new members who took office on the 1983 Board of Education were Mrs. Hallie Callies and Mr. William Keller. Reelected was Robert Gottschalk.

The Board approved bids to renovate both the middle and high schools. The work at the middle school was done primarily in the industrial arts section of the building. At the high school, partitions were installed to enclose the "open classroom" arrangement for the English and social studies area. Also, the heating and ventilation ducts were moved inside the classroom.

A police-liaison program, which would be funded through the police department, was considered by the Board. An officer would be present in the middle and high schools twice a week. He would work as a counselor and help students understand the law. The reason for this program would be to improve the relationship between law enforcement officials and students.

The Board also considered revising the present fund-raising policy when the Future Business Leaders of America asked to conduct sales projects.

Administrators Spend Year 'Trading Places'

Over the past year a few changes have taken place among the jobs of the administrators at the high school.

July 1st, 1983, marks Mr. Howes' first official day as our high school principal. When Mr. Howes first came to Marinette, he held the position of assistant principal. At this time Mr. Picard was the high school principal and Mr. Bomber was the assistant principal at the middle school and the high school athletic director. The first change occurred when Mr. Howes took the position of business manager. When this happened, Mr. Bomber than became the assistant principal at the high school and retained the position of athletic director.

After about six months as business manager, Mr. Howes, with the recommendation of the superintendent, was promoted to principal. Mr. Picard then became an administrative assistant. This job is similar to that of a business manager but it has more duties.

All of these changes are part of the philosophy of job sharing, which states that personnel should be moved around to experience different jobs.

Siam Is Enlightened

On February 26, 27, and 28 the lights of W. J. Jones Auditorium brightened on the 12th Night Players' production of the "King and I." The production consisted of 48 cast members. The cast worked for nearly seven weeks to ready the show: painting, building, memorizing, and pounding notes. Jean LaFave directed the show, and Mr. Jay Jensen was musical director. The choreographer was Karen Bintz, and Mr. Johnson arranged the lighting. All the hard work was rewarded with three standing ovations and two wonderful reviews.

Clockwise from top left: Eliza, played by Amy Austin, begins her escape from the wicked Simon. Kari Bohan, one of the Siamese women, is introduced to western dress. "Silence!" the King of Siam, Scott Miller, displays his authority over his subjects. Lady Thiang, Ruth Wagner, is bewildered by the wide hoop skirt. (Photos by Kari Larson)

The Marine Girls' Softball saw seven returning letter winners in the 1983 season. Sixty-four girls started out the season trying for the 30 spots on Jayvee and Varsity. There was good hustle but a lack of mental toughness which, at times, did them in.

Contributing to the Marine team were catcher Laurie Marineau and pitcher Gill Cross who had respective batting averages of .450 and .435. Gill was named the most valuable player and Laurie was selected as the most improved. Gill was also named pitcher on the All-Conference second team.

Adding to Marinette's despair was a forfeit going against the Marine team in the sixth inning while leading Rhinelander 9-0 on May 21. The forfeit was made because Gill Cross had already pitched eight innings in a previous game and a pitcher cannot go more than eleven innings in a single day.

Regional action on May 24 saw much rain and the game was suspended in the fourth inning due to a mega-downpour. BayPort was leading 9-4 and went off to a 15-4 victory the next day.

Up Where We Belong, On The Wings Of Love

The 1983 Junior Prom was held April 23rd in the Marinette High School commons. Prom colors included pink, royal blue, and lavender. The theme chosen was "Up where we belong, on the wings of Love." Chris Jacobs and Paula Urbaniak reigned as King and Queen. The formal dance started at 8:30 p.m. with the music being performed by Stormer. The Grand March took place at 10:30 p.m. and was followed by more dancing. The dinner started at 12:00 midnight at the Elks. There the couples enjoyed steak. Couples attended Prom picnics the following day.

Record-Breaking Season Hits MHS

The MHS Co-ed Track Team broke eleven school records in 1983. The three indoor records that were broken include John Rhude in the high jump with a leap of 5'8". In the pole vault event Brian Tribbey reached the height of 11 feet. Rick Dettman, with a time of 4:58, broke the record of the mile run.

It appeared though, that the female track members prevailed in breaking the most outdoor records. Laurie Eppers set a new record in the 3200-meter run with a time of 11:37.4. Jenny Mans hurled the discus a distance of 112' 10" and Tammy Mays succeeded in setting two new MHS records. This was done in the triple jump with a leap of 30'8" and in the shot put event with an impressive throw of 36 feet. Terry Haller was the fourth person to tie the high jump record of 5 feet.

Evan Perkins shattered three other school records, including the records he set in the past. He made a jump of 21'10.75" in the long jump event. The old records of 21'7" and 20'11" were set in 1965 and 1982. The 300-meter low hurdle event was another one of his victims, with a time of 40:44, one second under the old record set in 1977. He set a new triple jump record with a jump of 45'3½".

Marinette proudly sent Jenny Mans, Laurie Eppers, and Evan Perkins to the state tournament in Madison this year. Competing in the discus was Jenny Mans, while Laurie Eppers competed in the 3200-meter run. Both failed to place. Evan Perkins competed in the triple jump, in which he placed second. He also participated in the long jump and 300-meter low hurdles.

KTLS Captures Michael Jackson

Clockwise from upper left: A visit to Chinatown is a part of the group's exciting schedule. Yes! This is really Michael Jackson. Katy Ellis is lucky enough to sneak a picture of this superstar while filming on the streets of New York. From left to right: Katy Ellis, Liz Case, Sandy Johnson, Sandy Meyer, and Brad Loll are accompanied by Ms. Mitchell on the Washington-New York Tour.

Five MHS students, chaperoned by Ms. Mitchell attended the Washington-New York Tour which began in the third week of April. Because of the small size of the group attending, Marinette traveled with West Bend.

Finding your way around Marinette is obviously alot easier than in the "big" cities, since every girl got lost at least once. For example, one member who got herself lost had to pay six dollars for a taxi ride back to the hotel, which happened to be only two blocks away.

While in Washington, D.C. the group visited such places as the White House, the Smithsonian, and the Arlington National Cemetery. They also visited the Lincoln and Jefferson Monuments. Later they found out if they would have stayed one half hour longer at the monuments, they would have witnessed a drug shoot-out.

Some of the highlights in New York included the Empire State Building, the Statue of Liberty, and rides on the subways. Katy Ellis had an exciting experience when she captured Michael Jackson on film. By getting this picture Katy took the risk of sneaking past Jackson's bodyguard.

There were plenty of good times though Sandy Meyer had to spend an entire day in bed because she became sick, and a chaperone from West Bend sprained his ankle.

The 1983 Marine baseball team became Bay Conference champions with a 9-0 season. From winning the Bay they advanced to play at sectionals, but lost to BayPort 0-2 and Oconto Falls 7-5.

Mike Messenger and Wade Rastall were named to the conference all-opponent first team.

Mike Messenger was the only pitcher named to the team and also was selected as an infielder. He played sixth in the batting averages with .380 and was the first Marinette player to rank among the top dozen hitters.

Wade Rastall was named to an outfield position.

As a whole the team had a .230 batting average, and ended the season with a sparkling 15-2 overall record-the best ever by a Marinette High School team.

FBLA Nationals Held

Kari Bohan, Gayle Madsen, Lisa Brooks, Deann Frease, and Chris Salzman, along with advisor Miss Christophersen, traveled across the US to San Francisco, CA, for the National FBLA Leadership Conference. Chris Salzman and Kari Bohan represented Wisconsin in the Poster Event.

We passed through seven states on a Lamers Coach with Oconto Falls and Peshtigo, stopping many places to soak in the sights.

Some of the tours included Salt Lake City, Reno, Fisherman's Wharf, Alcatraz, Chinatown, Lombard St., the Red Woods, Korbel Champaign, Winchester House, Yellowstone National Park, Mt. Rushmore, Wall Drug, and the Badlands.

While staying at the Hilton Hotel, members from across the country toured the city, attended assemblies and meetings, and socialized with other FBLA'ers from other states. All in all, it was a very good trip!

THE OUTSIDERS

'Fast Times' At Marinette High With The Cross Country Teams

The 1983 Cross Country team consisted of 34 girls and 20 boys which was the largest in MHS history. The season started on August 15. They held two practices a day for the convenience of summer workers. The jayvee girls and boys had the same super record, which consisted of seven firsts and two seconds. Both also took first at the conference level. The team worked very hard, but they still had fun by walking or taking a short-cut back from the university field, running the loop, but ending up taking a swim at the marina, or stopping for ice-cream or soda on the way back from a long hot run. The team's Most Valuable Runner awards went to Wally Sedlar, Tim Phillips, Brian Vincent, JoAnn Rastall, Laurie Eppers, and Elke Gaiser.

Coach Larson's Golf Team

With many first year players going out for the team this year, the Girls' Golf team was inexperienced. Even though some were young players, the team fought tough against such teams as Wausau East and Oconto Falls, which placed 6th and 8th respectively in the WIAA State Championship this year.

The team had its own special way of dealing with frustration. It seems that Jennie Minerman purchased an Odie dog, the kind you put on your pencil, and put him on the antenna of her boom box. On the away games the boom box was taken along and when the team did rotten they took Odie and beat him against the seat. By the end of the season Odie received several battlewounds but will probably return next season.

Jennie, playing on the team for the third year, was the Marine Medalist in most of the matches. At the awards assembly, she was presented with the Bill Liegois Memorial Award, a coveted trophy presented to the golfer showing the most improvement during her high school career.

Top row: Coach Mark Hamer, Coach John Sitek, Head Coach Erv Kunesh, Coach Bruce Parkovich, Coach Shely Fifarek.

Despite having a gloomy 3-7 season, the Marine Team had some shining moments against some tough opponents. One such game was against a 2-0 DePere team. The Marines 0-2, came in to the game so enthusiastically prepared that they played aggressive, heads-up football for two and a half quarters, but the rest of the game proved to be their downfall. The Redbirds escaped with a hard-fought 15-14 victory.

Even though the Marines placed 7th in the Conference they earned several conference positions. Two players were named to the All-Conference list. Junior Paul Francour was named to first team offense as a halfback and first team defense as a defensive back. Senior Darin Trautner was named to the second team defense as a linebacker.

In scoring, Francour was tied for 3rd with 60 points, he was 7th in rushing with 561 yards for 92 carries. Tim Peterson was 6th in pass receiving with 28 catches for 437 yards. Tim Kowalski was 5th in punts with 16 for a 34.1 average. Keith Kamin was 5th in kickoffs with 27 for a 44.7 average.

They were little but they "tackled" big jobs. This year's Jayvee team was outsized by every team they played and still managed to end their season 5-3.

Outstanding offensive players were Tom Witak, Shannon Smith, Darren Sommerfeldt, and Steve Johnson. Defensively, the outstanding players were Tony Nelson, Dean Pauliot, Brian McKenney and Rock Hetcher.

Frosh Have Almost 'Picture Perfect' Season

Frosh Football Team: Bottom row; Keith Cegelski, Joe Maas, Craig McKesson, John Boland, Shawn Smith, J. J. Haines, Tom Boivin, Tom Olsen. Second row; Chris Johnson, Mark Godleske, Larry Wood, Scott Benson, Chris Alwin, Darren Mojzych, Darren Mercier. Third row; Mike LaCombe, Briggs Barggren, Steve Olsen, Mike Hubert, Brad Wood, Rodney Irwin, Mark Benson, Terry Thompson. Top row; Coach King, J. J. Brezinski, Tom Pleger, Ryan Scheon, Todd Christian, Chad Jones, Jim Moskal, Art Gove, Coach Cerrato. (Team photo by Mr. Meissner. Other photos by Chris Wingender.)

The freshman had an almost "picture perfect" 1983 season. The Marine defense, with new coach Cerrato, held their opponents to only six points. The offense on the other hand, scored 124 points. With the offense and defense combined, it brought on a record of 5-0-1 for a great year. Outstanding players were Joe Maas, Craig McKesson, Shawn Smith, Chris Alwin, Keith Cegelski, and Brad Wood.

While most students were relaxing this summer, the cheerleaders were busy preparing for the 1983-84 season. Some attended the A.S.C.C. Cheerleading Camp. While there, they earned first place ribbons for spirit, and on the final day of camp they placed third out of twenty-five squads in all-around competition. The varsity squad also attended a district cheerleading competition at Pine Tree Mall. There they earned a third place trophy and a great deal of pride for M.H.S.

Swing Choir In '83 'Footloose' And Fancy Free

The 1983-84 Swing Choir of MHS consists of 19 people. This hard-working group, under the direction of Mr. Jensen, practices every Monday, Wednesday, and Friday mornings before school. They also devote their time and effort on several Saturdays throughout the year for further practicing.

Amy Austin and Chris Beres contributed a lot of the dance ideas. They brought these ideas back from a Swing Choir camp they attended in Green Bay and taught them to the group. A former graduate from MHS, Merlaine Angwall, will be doing the choreography also. Mary Claire Torinus, a former member of the Swinging Knights of St. Norbert College, was a guest clinician in the fall.

The Swing Choir sang out in the community many times during the Christmas season and they were a part of the school concert on December 22. In March, they planned a dinner theatre, along with the home economics department, as a fund raiser for both. The group also hopes to go to the State Fair this summer.

In Regional competition the two Sedlars managed to advance to Sectionals with Willie taking second and Wally taking first. Wally also managed to qualify for State by taking first in Sectionals.

The rest of the team had a rather disappointing season with the varsity filling only 8 of the 12 weight classes. Even with this they still managed to show their pride even though they did not even win a match.

The 1983-84 Basketball team started the season on a sour note by losing their first three games. Before the season started some thought the team was not going to win a single game, but they proved them wrong. They ended the season with a record of 8-10.

The top scorer for the team was Tim Kowalski with 233 total points; close behind was Tim Peterson with a total of 277 points. Leading the team in offensive rebounds was Tim Kowalski with 42, defensively the leader was Rob Gottschalk. In free-throws Tim Peterson made 41 free-throws out of 57 attempts.

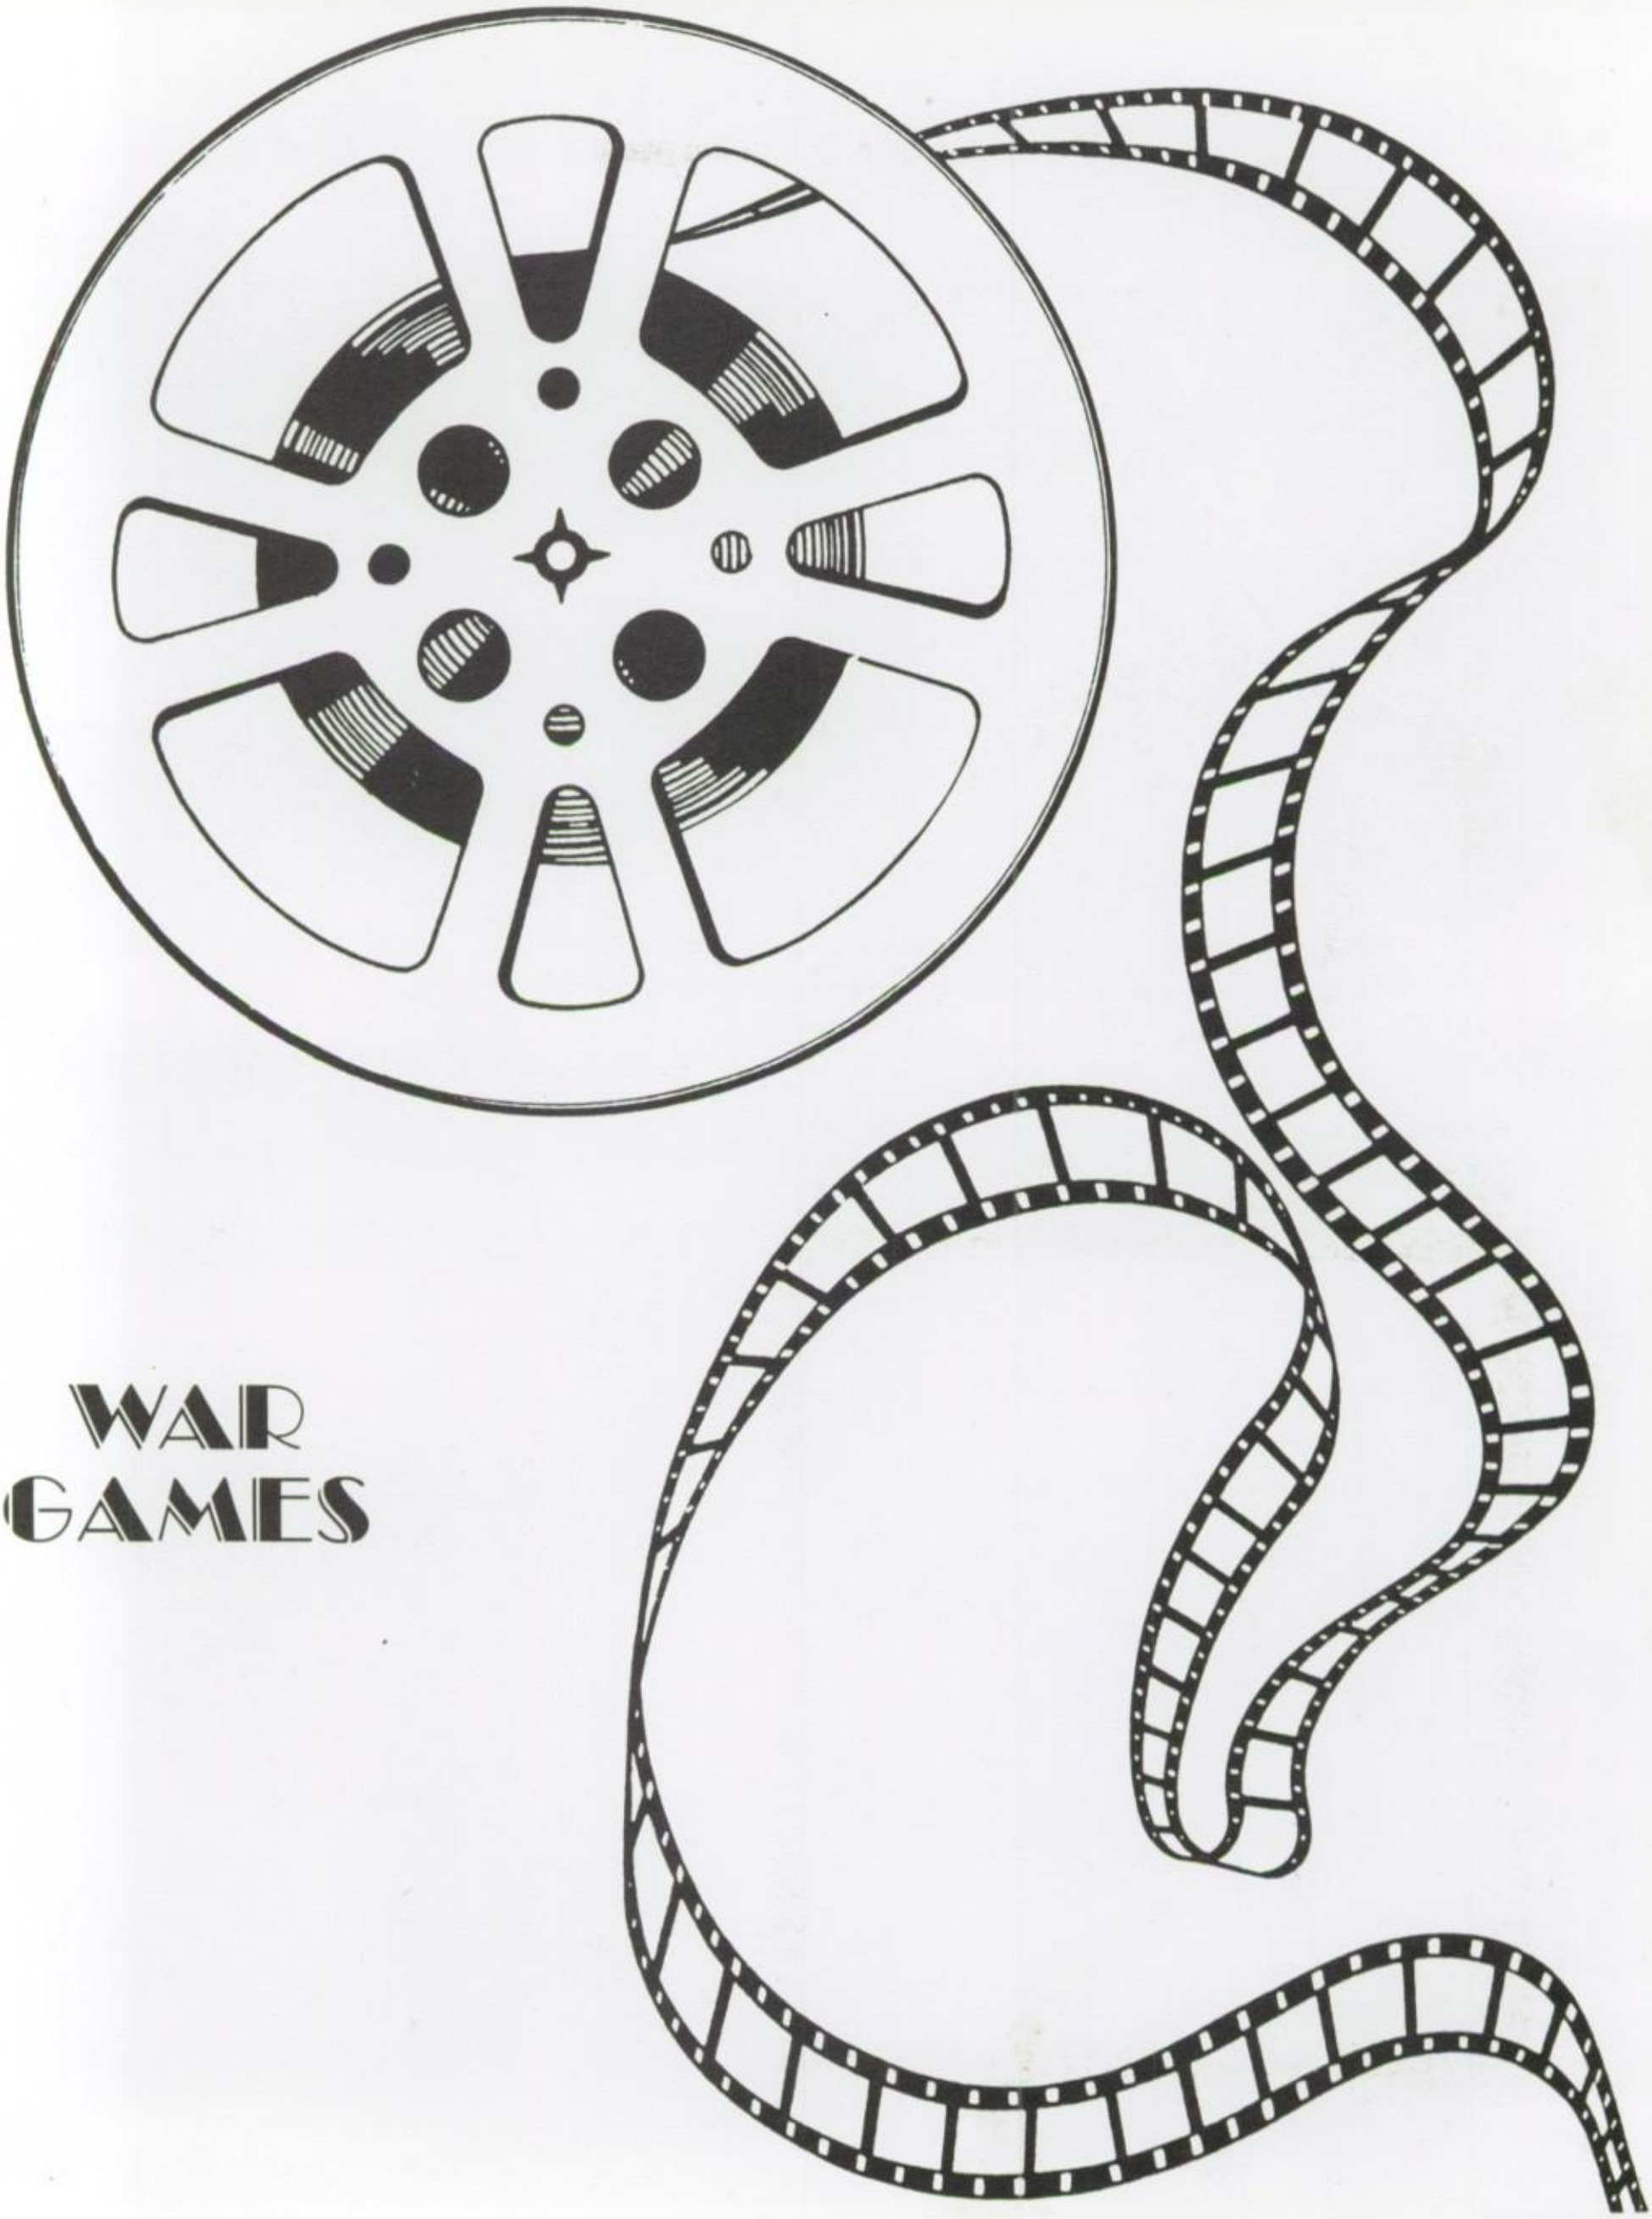
Varsity volleyball had a season of 8-11. At regionals the volleyball team beat Preble but lost the second round against Green Bay East. The Varsity volleyball team gave Louise Meyer the most valuable player award, while Jodi Kloida was the most improved player. Captain's awards went to Louise Meyer and Jenny Mans.

Jayvee volleyball had a great season with a record of 11-0. Joelle Kotecki and Kandi Erickson led the team with their setting. Top spikers on the team were Kelly Keller, Nancy Walker, and Cindi Rife.

The freshman team finished with a record of 4-5.



WAR GAMES

Marines Play On

M & M week started on November 2nd and consisted of three dress-up days: Wednesday-Nerd and Insect Day, Thursday-Generic and Tootsie Day, and Friday-Purple & White, Crazy Hat, and Sucker Day.

The Pep Club float, with the theme "We're Raisin' Spirit," took 1st place honors in the float judging contest.

Throughout the week, the MHS colorguard was selling purple mums for 50¢ to be given to a special sweetheart. Pom pons were sold by the Junior Class. Singing telegrams could also be purchased to be sung to your secret someone by the Swing Choir.

Chosen as members of the 1983 homecoming court were Tiffany Booker, Kari Bohan, Nancy Bjorkman, Lori DuCharme, and Connie Piontkowski.

The Marching Marines performed the pre-game show after the introduction of the court was made to the fans and public by Mr. LaPorta.

The game started off at 1:30 p.m. on November 5th. Jeff Mayou gave the Marinette fans a show when he chased and captured a purple chicken that had taken off across the field. The Marines showed a fine performance, but still weren't able to pull it off. The halftime score was 0-0. After that the Maroons pulled ahead by scoring nine points. The final score was Marinette 0, Menominee 9.

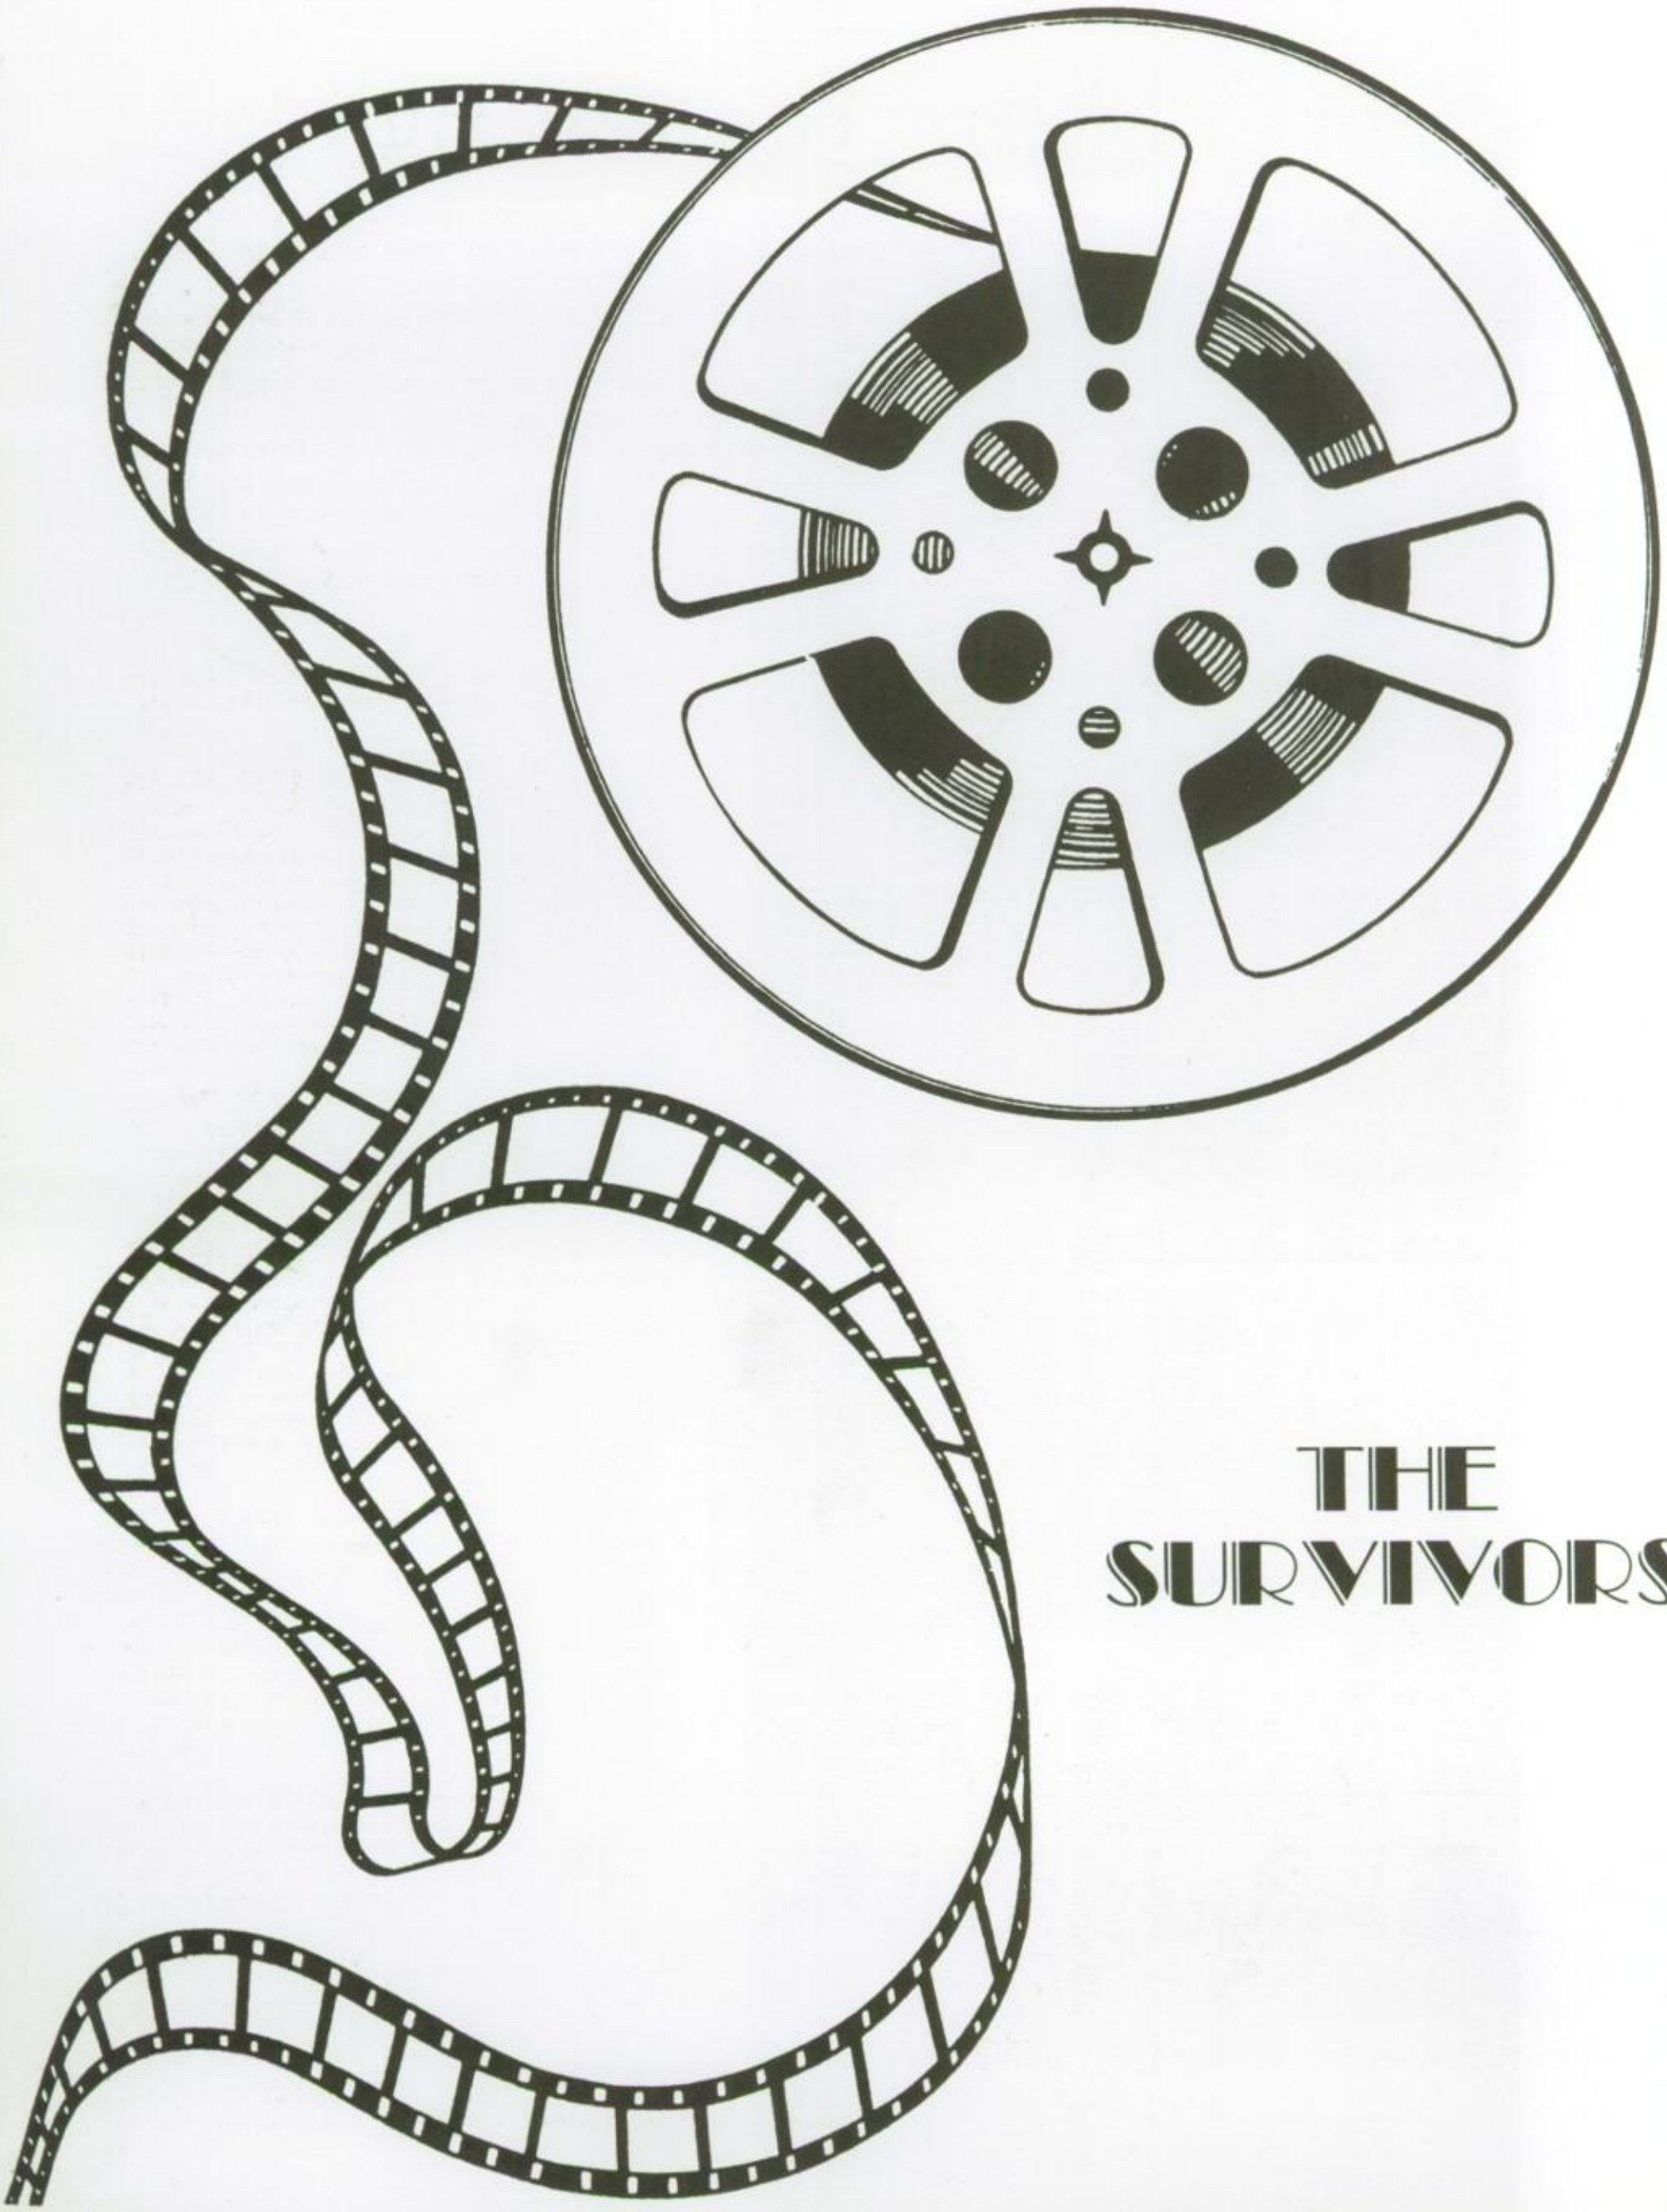
Winterfest Brings 'Winter Kill'

Winterfest Court: Elke Gaiser, junior representative; Katrina Koehne, senior representative; Michelle McGowan, freshman representative; Dee Miller, sophomore representative; Lori DuCharme, Winterfest Queen. Coach Parkovich babies his boys, Tim Peterson and Rob Gottschalk, while they patiently wait for their turn in the First Annual Shooting Contest. Paul Francour looks around in the confusion for a teammate. (Photos by Kelly Hanley)

Clockwise from top left: Kevin Vieth crowns Lori DuCharme as Winterfest queen. The mini court, Craig Vieth and Paula Garon, bring in the flowers and crown. Tammy Mays and Cheryl Brezko meditate on their strategy for the shoot off. Mr. Howes' imitator, Mike Wolfe, gives a pep talk. Willy and Wally Sedlar receive a cake for their effort. The shoot-off was won by Tammy and Cheryl. Did the better half win?



THE SURVIVORS

Seniors Put Up 'The Last Fight'

The freshman year starts the fight to graduation. It's a time of total confusion. It's a time of acceptance in class, in sports, and by classmates.

The sophomore year is the battle on the highways and city's streets with driver's education class. Another battle is the magazine selling to raise money for the junior prom and AFS program.

The junior year is the battle with U.S. History. What president served after Taft? The prom battle is one of suspense. Will he ask me? or will she go with me?

The seniors' last fight may be government class or missing credits, but at the end of the year comes victory, graduation!

What Is A Junior?

The real beginning of adultship. Looking into the future for some ideas of what you want to do with your life.

A student in his/her third year of high school who is old enough to drive but not to drink.

Superior and above all else, except someone who is older and bigger!

When you're too old to be a sophomore, and too young to be a senior.

Sophs In 'The Year Of Living Dangerously'

Sophomores take time out to pose with their float for M & M week. The theme of the float was "We'll DeFeet 'Em." (Photo by Kelly Hanley.)

Rastall, Terry

The Sophomore Class undertook various kinds of projects this year. They purchased rings for their fingers and tissue paper for their float. A fine job of workmanship brought a third place to their float during M & M week festivities.

Another success was when the class made over $5,000 in the annual sophomore magazine sale. They exceeded last year's total and goal.

STAYING ALIVE

Home Ec. Satisfies 'The Hunger'

The freshman survey classes made and sold items for M & M Week again this year. It was part of a class project on merchandising. Among the best-selling items were Marine caterpillars and purple and white garters. Bandanas and bow ties did not sell as well. Students also sold football pins and bow ties. Prices ranged from fifty cents to $1.50.

The department had two student teachers this year. Ms. Magnin taught during the first semester and Ms. Verhasselt was here during second semester.

Cooking classes were popular again and some classes conducted restaurants for faculty and students. A spaghetti meal was a real bargain. Those who enjoyed World of Foods during the first semester came back the second semester to experience Gourmet Foods.

Clockwise from left: Ms. Magnin blows out the candles on her going-away cake. She was a student teacher during the first semester. Doug Aus prepares a chicken for World of Foods class. Sue Weirich and Steve Bromund check on their meal but their lab partner seems more interested in the kitchen behind them.

Is P.E. 'A Time To Die'?

Ms. O'Brien's fall classes took part in a distance aerobic running program. Each student practiced on a program designed to meet his or her individual needs, including a program for those affected by weakened hearts or lungs. Six days of jogging were recorded at the end of the unit. Their goal was to run the distance from Marinette to Chicago. The 27 students in third hour went well outside of Chicago with a total of 311 miles. The first and fifth hour classes were combined and totaled 22 students. They covered a total of 256 miles, which is just past Chicago. Second hour went 251 miles with 26 students, which is just before Chicago. Sixth and seventh hours both finished just outside of Milwaukee. Sixth hour went 202 miles with 20 students and seventh hour covered 201 miles with 19 students.

Science Conjures Up 'Strange Brew'

When students were asked what they liked about their science classes, some of their responses were watching the snake eat, and dissecting worms, crayfish, and frogs. Some of the things students disliked were taking qualifiers, memorizing the periodic table, pithing the frogs, and taking tests.

There were many choices for their favorite science teacher, but the name that kept coming up was Ms. Hogan.

The nursing assistant class prepares students for jobs in nursing homes, and hospitals. The course takes three hours of the school day. At the end of the course a certificate of comlpetion is given.

A cooperative venture between MHS and NWTI, this year's class is the second to complete the course.

Drivers' Ed. Makes Sudden Impact On Sophomore Class

Mr. LaPlant, Mr. Kunesh, and Mr. Sitek are the instructors for Drivers' Ed. Mr. LaPlant and Mr. Kunesh teach classroom as well as behind-the-wheel, where as Mr. Sitek teaches classroom to Catholic Central students.

Before the students can drive on the open road, they work on simulators for a 12-week duration. After they complete their temporary license exam, they begin on the open road.

Clockwise from upper left: Lori Krog prepares with Mr. Kunesh before take off. The drivers' ed car comes back in one piece. Lori Krog, Mr. Kunesh, and Julie Burns come back from driving safely.

Is Computer Math A Challenge?

Students' Comments On Computer Math

What did you find the most challenging about the course?
"getting the programs in on time"
"getting the programs to work"
"listening to Mr. Mellinger's sick jokes"

Why did you enjoy the course?
"computers are interesting if you learn how to use them and make them work for you"
"very important for future use"
"who said I enjoyed the course"

What were some of Mr. Mellinger's sick jokes?
"the one with the reenter error"
"the ones he retold to us that his son had told to him"

More Apples To The 'Bin'

Never Say Never Again!

The 1983-84 school year proved to be the best year ever, as far as student involvement and high enthusiasm are concerned. One fourth of Marinette's student body is enrolled in an art class of some type which means interest in art is increasing.

Along with the Christmas "Cabbage Patch Boom", 3-D art students constructed soft sculpture dolls. They also made free-form candles out of snow molds. There was also a new twist in the lettering classes this year, as they decorated the halls and locker areas for holidays, and designed publicity posters for the girls' basketball team.

Not only were the art students involved this year, the teachers also got into the swing of things as Mr. La Barbera coached the varsity girls' basketball team, Mrs. Stank acted as a student senate advisor, and Mrs Caylor was the head of the 1983-84 Art Club.

From top left: Kari Pazdera sews a plastic canvas in 3-D art. Kathy Singer constructs a Christmas poster for the locker area. John Dausey, Matt Schmitt, and Mike Hammond work on a design project, and learn about repetition.

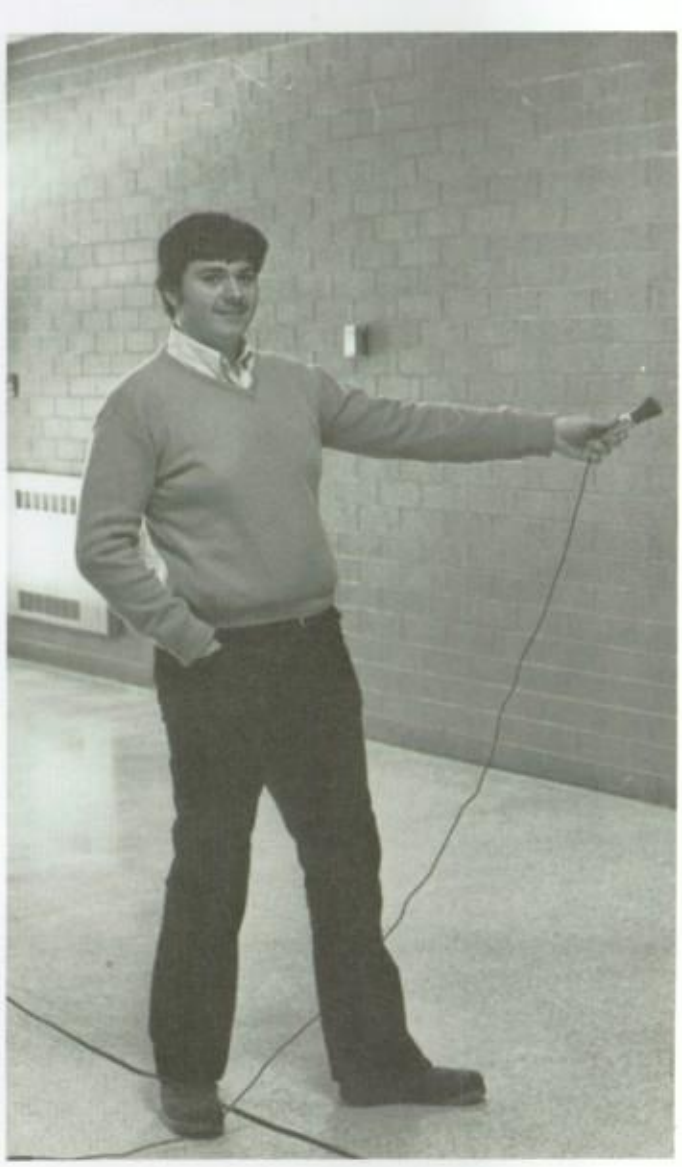
'Phlegm' Enters The 'English Zone'

Welcome to the world of the world of the 'ENGLIGH ZONE'. Ms. Kostelecky's futeristic literature class went into the movie-making business as an extra-credit project. The name of the movie was "PHLEGM" (Phosphorescent Humanoid Leg-Eating Green Mucous). This film was not a high budget film. The class produced the picture in a span of four weeks. It wasn't classed as a great picture but it had its moments.

The English department turned into the "English Zone" with the creation of the movie "PHLEGM", with Ms. Evans' College English classes' presentations of *MacBeth* lines. Also there was the introduction of a computer into the English Zone. Mr. Garon's BCS-10 classes used the computer to get the point across on how to use verbs, nouns, pronouns, and adjectives in sentence structure.



Clockwise from top: Frank McCrossan stars as the main character in "PHLEGM." Dennis Irvine and Jay Brisson star in "PHLEGM" as the time travelers. Gary Jessel has many roles in "PHLEGM" as the director and as a crew member. (All photos of "PHLEGM" by Joe Sommers.)

Mr. Schultz's Government

Mr. Schultz's 5th hour government class held a mock trial January 9, 1984. Judge William Beyer, presiding, heard the case against Dick Johnson. Johnson was arrested on charges of possessing M & M's two bags of them. District Attorney Eric Sunstrom called Key Witness Jim Doberstein to the stand. Defense Attorney Todd Beck fought long and hard on his client's behalf. Success came to Beck when Judge Beyer threw the case out on legal technicalities . . . one bag of M & M's was missing.

Mr. LaPorta was asked to give a talk to the students on his experiences has a Los Angeles police officer.

Mr. Arger's government classes were visited by Dr. Kelley from Marinette General Hospital. He gave a presentation on the movie "The Day After" which aired on ABC in October.

Mr. Comeaux's students arranged guest speakers in contemporary history classes this year. People making presentations include: Roger Nicklaus, businessman; Harold Pierce, Mayor of Marinette; and Joe Larson, Marinette County Sheriff.

Is This 'Where The Boys Are'?

The major activity for industrial arts students is the Skills Fair which was held during May in Green Bay. Every year there is a considerable number of people who attend. This year only those students who submitted a project in the Skills Fair were allowed to participate.

Industrial arts is becoming increasingly popular amongst girls. The graphics course is now about 50% female.

The woods capstone class kept itself busy with a major project in the industrial arts area. The students all worked on the building of grandmother clocks to sell to the public.

Clockwise from upper right: Mr. Eland explains to Chris Stuart, Tim Kowalski, and Bob Charlesworth the concepts of drafting. DVI Broadens Opportunities

This year our special education department has something new. It's called DVI, Designated Vocational Instruction. Mr. Carlson is the head of this program. Requirements for this position include a degree in special education and a six week-training program, which Mr. Carlson attended at UW-Whitewater. This program's goal is to coordinate vocational and special education so the students attain higher success. There are fourty-three students in the program, and four volunteers who assist Mr. Carlson with the students.

In the DVI program special education students are mainstreamed into industrial arts, home economics, and business education areas. DVI is helping to better our public school system by broadening the special students' educational opportunities.

This year M-Club raised money by selling its members as "gophers" for the day. Dave Kunesh was by far the most wanted gopher and made the most money. M-Club also sold concessions, held a dance after the basketball game, and members sold designer shoelaces at $1.25 per pair. M-Club also takes in the money from the pop machine in the boy's team locker room.

This spring M-Club planned their regular picinic to be held in City Park. The money raised during the school year provided the food and drink for the members.

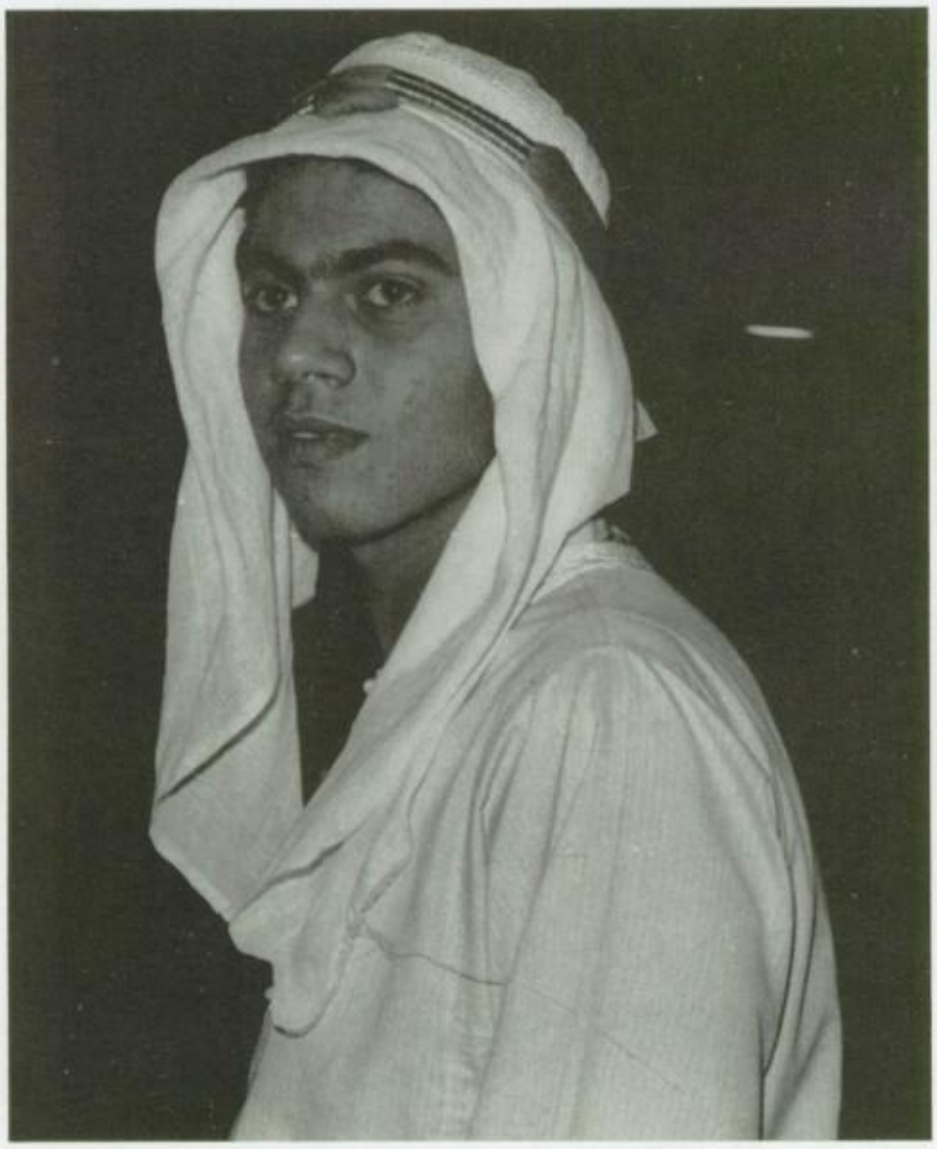
During the exchange weekend of November 4-6, the AFS Club members welcomed foreign exchange students from the area cities of Menominee, Crivitz, Coleman, and Stephenson. These students were from Brazil, Equador, Peru, Italy, Denmark, and France. They arrived here on Thursday, November 3, and attended classes with AFS students on Friday. That evening there was a pizza party at Rick's Pizza. The next day's activities included watching the parade and going to the M&M football game before returning home that evening.

Other AFS activities included a presentation from Wael, our AFS exchange student from Egypt, and a Christmas party at Kelly Grosso's house.

The Club's goal was to make this a fun and helpful year for our AFS student.

Sitting by the fireplace at the AFS Christmas party is a relaxing way to spend the evening.

Lands Of Glistening Sands

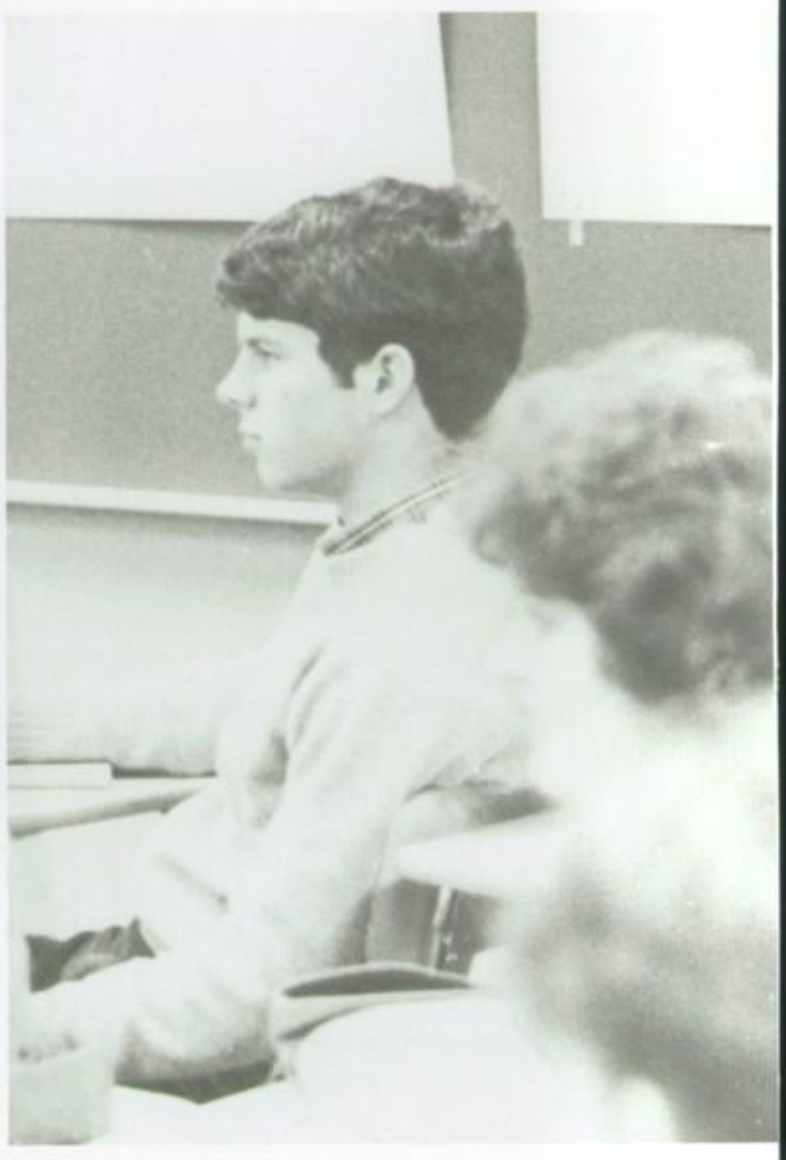


His name is not Fred. It's Wael Abd-ed Hamed Fergani Khattali, but 1984's AFS Foreign exchange student was more commonly known as Fred.

Wael is from Cairo, Egypt, a city with a population of 11 million people. It is known as the land of camels and pyramids.

Wael finds fascination in collecting stamps, coins, and souvenirs. He also enjoys "jockeying" or as the Americans call it horseback riding. Swimming, soccer, handball, and volleyball are a few of the sports he was involved in at Alcoornaran High School. Wael speaks four languages fluently: English, Arabic, French, and Italian.

The thing Wael found most difficult to adjust to in America is the lack of communication in expressing feelings, and feels it is equally difficult for people to understand his feelings. When asked if he enjoyed America he said, "Sure, it's interesting." However, he was disappointed that very few Americans take an interest in foreign countries, other than what they forced to learn in school.



Craig Michaelis was an MHS foreign exchange student to Perth, Australia during the 1982-83 school year.

He attended Govenor Stirling, a school of 1,200 students ranging from the eighth to the twelveth grade. Craig said scholastically the school was neither simple nor difficult. The students had a number of days to hand in assignments, but test scores counted as fifty percent of report card grades.

There were no drugs at Stirling, and no competitive sports. Craig said the Australians played some sports, but only for fun. So what did he do for entertainment? Well, there were cricket games, beach parties, video nights at private homes, and pool parties. Not hard to take. Craig was impressed with the relaxed life style, wheat production, and sheep farms. "It was a great experience," said Craig, "I wouldn't mind going back to visit or live, but America is my home."

Hi-Q Goes For The 'Big Score'

In 1983, Marinette's Scott Hi-Q team finished as the first-place champions for the season. Finishing second and third were Marinette Catholic Central and Oconto high schools. MHS received an award of $1,500 which was used to purchase an electrocardiogram for the anatomy and physiology classes.

During this eighth local year of Hi-Q participation, the competition has expanded from twelve to fifteen schools. Each team has eight students and the team questions are drawn from twelve categories. The categories include current events, American government, world history, life science, physical science, mathematics, sports, American literature, vocabulary, art history, and Shakespeare.

The team competes with those from two different schools in each contest, playing one game at home and two away. The three teams with the highest combined scores at the end of the first series, compete in a play-off series of three contests to determine the first-, second- and third-place champions.

At the end of two rounds of competition in 1984, MHS had a total of 66 points.

NHS Rises To 'Stations Of The Elevated'

The National Honor Society planned a dance in March and concessions to help raise money for the spring induction ceremony.

The yearly job of the National Honor Society is to nominate candidates for the Elk's Teenager of the Month. The candidates for the Teenager of the Month were chosen on the basis of leadership, citizenship, scholarship, service, and character.

Second row: Chris Telfer, Sue Alswager, Tina VanLaarhoven, Heidi Gruman, Laura Dugre, Mark Mogensen, Michelle Dura. Third row: Mr. Janofski, Tiffany Booker, Lisa Hunt, Louise Meyer, Roger Wicklund, Kendra Meyer, Nancy Bjorkman, Sue Derusha. Top row: Julie Wood, Carlene Alwin, Doug Wolf, Corty Lohff, Jim Rabideau, Dennis Eggener, Maureen Wolfe. *National Honor officers* for 1983-84 are Lisa Hunt, secretary; Nancy Bjorkman, vice-president; Tina Bader treasurer; and Julie Wood, president.

FBLA Can Be A 'Risky Business'

What's so risky about FBLA? How about buying an overabundance of beef jerky and not being able to sell it all? Or having a super-profit fund raiser like gift wrapping at the mall, and barely breaking even?

These are a few of the examples of the "risky business" FBLA gets involved with. But after all, FBLA is here to get the students involved, risky or not.

This active organizations of 117 members started its membership drive with the first school dance of the year. After this successful event, the annual get acquainted picnic was held at City Park. Not only was the picnic annual, but so was the rainy weather. Nevertheless, the wet ground didn't stop the egg toss or tug-of-war.

October brought a car wash as an early fund raiser. It was a warm, sunny day, but even so, everyone still managed to get wet! Later on in the month the formal initiation was held in the commons and lecture hall. There new members and officers were officially initiated into FBLA. Old and new members along with their parents met with each other afterwards.

Other activities throughout the year consisted of a Halloween party for Region III chapters, an M & M skit, a cheese and cracker social for the faculty, Christmas caroling at the mall, and a Christmas party for members. Some of the fund raisers for the year included gift wrapping at the mall; selling first aid kits, two-year planners, and Henco crystal; and sponsoring school dances.

FBLA advisors are Ms. Christophersen and Mrs. Granger. Also assisting the chapter is the MOOP class. This is a business capstone, which this year included nine students.

February 12-18 was National FBLA week. Our chapter held different activities for each day of the week. Monday was Secretaries' Day, FBLA bought the secretaries, aides, and cooks a gift of appreciation. Tuesday was the business personnel breakfast. Area business persons were invited for coffee and donuts and to socialize with members. FBLA's colors are blue and gold, so Wednesday members wore these colors. Thursday was set aside for a social for all faculty as a thank you. Friday FBLA held a luncheon for the students in FBLA.

"Getting Involved Today for Tomorrow," our national theme, sums up what FBLA encourages each of the members to be — involved.

Neil Larsen came as a wounded soldier to the party. Steve Kahara, Julie Ott, Ed Gajewski, Jane Farley, Julie Gajewski, Neil Larsen, and Donna Frease give presentations at the formal initiation. Dave Kunesh and cousin Ingy Liljestrand slow dance together at the Halloween Party.

FBLA Regionals Brings A 'Championship Season'

Clockwise from above: First place winners in Business Graphics Lisa Alley and Julie Gajewski. First general assembly speakers, Mayor Harold Pierce, Congressman Richard Matty, Dr. Robert Froehlich, Mrs. Margie Wills, Deann Frease, State president Scott Gaertig, State secretary Karen Tatro, and state program assistant Ms. Barbara Ballweg. Three of our courtesy corps representatives were Dave Kunesh, Darin Trautner, and Ed Gajewski. Julie Bernardy and Wael Khattab take time out to pose. Becky Dobbin works at registration. (Photos by Joe Sommers)

Marinette FBLA hosted the 1984 Region III Leadership Conference on February 4. There were 29 members who competed, 24 that placed, and 21 who advanced to state competition in May. This was definitely "the championship season"!

As the people poured into the school, the excitement of the day's events began. There was a total of 410 people from 17 schools participating. At the first general assembly, greetings were made by Mayor Harold Pierce and Congressman Richard Matty. After Deann Frease made the closing remarks, students had 25 minutes to prepare for their competitive events, to meet other FBLAer's before their sectionals, or to visit the vendors representing various products. The vendors gave away free gifts and held drawings.

Lunch was served from 11:30-1:00. During this time, entertainment was provided by Hurricane in the gymnasium. Much of this time was spent conversing with friends about the turnout or their competitive events. At 2:00 everyone filed into the lecture hall. The room was filled with anticipation as contestants waited for the results of their competition. It seems school competed against school at yelling and clapping the loudest as contestants' names were called to the stage.

The conference was very successful, and everyone had a good time. The weeks of preparation paid off with a "championship season."

Art Club Marches As Cowgirls

Art Club. Bottom row: Mary Gartzke, Audry Bouplon, Roxanne Rounds (president), Beth Schwartz (secretary-treasurer), Lori DuCharme, Michelle Wheelock, April Mueller. Second row: Julie Gajewski, Sandy Behrendt, Mary Hollsten, Jeff Koehn, Cindy Behrendt (vice-president), Jodi Messenger, Diana Jarentowski, Marsha Dieckman, Pam King. Third row: Lisa Alley, Ann Eggener, Karen Decker, Angie Servatius, Sue Alswager, Gayle Madsen, Lori Lorenz, Amy Stiglbauer, Carmen Seguin. Top row: Faith Pristel, Tarrie Nichols, Sue Carivou, Amy Schlueter, Audra Race, Paula Malek, Melinda Olson, Stacey Geniesse, Brenda Wood, Sally Lentz.

Art Club started out the school year by holding a sucker sale as their fund raiser. For the M & M parade they decided to dress up as cowgirls. A Christmas pizza party at Brother's Three was planned with roller skating to follow. Members worked on the making of dolls which resembled the popular "cabbage-patch doll". Others also made stumpkin dolls. They sold concessions at a boys' basketball game as their end-of-the-year fundraiser.

Members Of Whipurnette Staff 'Get Crazy'

Whipurnette Staff: Bottom row: Lori Lorenz, Joe Sommers, Michelle Wheelock (Spring Break); Ms. (Get Crazy) Kostelecky, adviser; Kris Furst, Scott Urbaniak, Vicki Zarling (All The Right Moves); Jeff Fischer (Whiz Kids); Richie Seils (The Right Stuff); Kay Stujenske, Chris Salzman (Best Friends). Top row: Jeff Marineau, Tracy Koeller, Jamie Bauer (The Outsiders); Gina Boneham, Bill Beyer (The Survivors); Sue Alswager, Karen Decker (Flashdance). Not pictured: Gayle Madsen, Mr. Meissner, assistant adviser.

The **Whipurnette** staff started off the year by deciding on a movie theme for the yearbook.

The staff felt like it was going crazy this year. Deadlines always seemed to come up so fast. It also took a while to start preparing layouts since most of the staff consisted of rookies. The only returning people were editors Karen Decker, Jamie Bauer and Bill Beyer. They had fears of the yearbook not getting finished on time. But, with the cooperation of a dedicated, desperate staff and willing photographers, they beat the final deadline.

Right: Ms. Kostelecky proofs a page of copy for Gayle Madsen. Opposite page, counterclockwise from lower left: Lori Lorenz has trouble deciding on the pictures to use for her band layout. Richie Seils and Gina Boneham work on the wrestling pages. Karen Decker takes time out of her busy schedule to call Bill Beyer an "airhead." Whipurnette photographers Iain MacIntyre, Kelly Hanley, Chris Wingender, and Kim Urbaniak get "wrapped up" in their work. Vicki Zarling works on indexing names. Jeff Fischer and Michelle Wheelock decide on pictures from the contact sheet.

Mariner Staff Experiences Journalism For 'The First Time'

Mariner Staff. Pam King, Jodi Messenger, Jill Andersen, Beth Larsen, Ron Rose, Sheryl Falstad, and Karla Furst. Sheryl and Karla tediously prepare for purple and white day by using liquid paper to paint fingernails. (Candid photo by Pam King.)

The Mariner staff produces our school newspaper *The Mariner*. This year's staff includes seven students who are all being exposed to journalism for "The First Time."

This year was the first year the staff used a Microsetter, a new device that enables the operator to edit, format print, and customize stories quickly. It can also be used with Apple II computers and a word processor to type out stories. This device saves approximately 1 1/2 weeks of production time, thus enabling the staff to produce more papers. Because this is the first year for the Microsetter and the staff, they produced only four papers. More papers will be able to be produced in the future when there are students who return from the previous year on the staff.

Graphic Arts Club. Bottom row: Frank Sabowski, Tim Quick, Karin Cardin, Scott Urbaniak, Mike Wolfe, Tracy Koeller, Tammy Chartier. Second row: Dave Danielson, Tim Jagielski, Pam Knutson, Ed Demeuse. Top row: Wally Sedlar, Chris Jacobs, Jeff Mayou, Ed Gajewski. Sitting: Mr. Blom.

Graphics Buy Stereo

This year the Graphic Arts Club bought a stereo and two 35 mm Canon cameras with accessories that cost around $2000 with the money they raised. The students in Graphics I or II with photographic experience may check out the cameras. They also buy supplies with some of the money they raise to replace the supplies used up.

Graphics Club raised money by selling advertisements in the athletic programs and by printing the M&M program every other year. They also do much of the typesetting and layouts for the *Mariner.* They do printing for non-profit organizations such as churches, the Lions Club, the Elks Club, and the Jaycees.

Hard Wood Tech Club Works 'Up To The Minute'

The 15 students in the woods capstone worked 'up to the minute' building their fund raiser — custom grandmother clocks. (Grandmother clocks are smaller than grandfather clocks.)

With the money they raised from fund raisers last year, they bought a power miter box. This year's profits went toward more new equipment and towards club activities.

Hardwood Tech Club is in its second year, with Mr. Mandli serving as club adviser. This year Hardwood Tech plans included the Skills Fair held in Green Bay, field trips to local wood product manufacturers, and taking the group out to eat.

This year's officers include Troy Servatius as president; Greg Moffatt as vice-president; Jeff Marineau as secretary; and Bob Charlesworth as treasurer.

Our dedicated and serious officers include Troy Servatius, President; Greg Moffatt, Vice-President; Bob Charlesworth, Treasurer; and Jeff Marineau, Secretary.

Is There A 'Christine' In Our Auto Club?

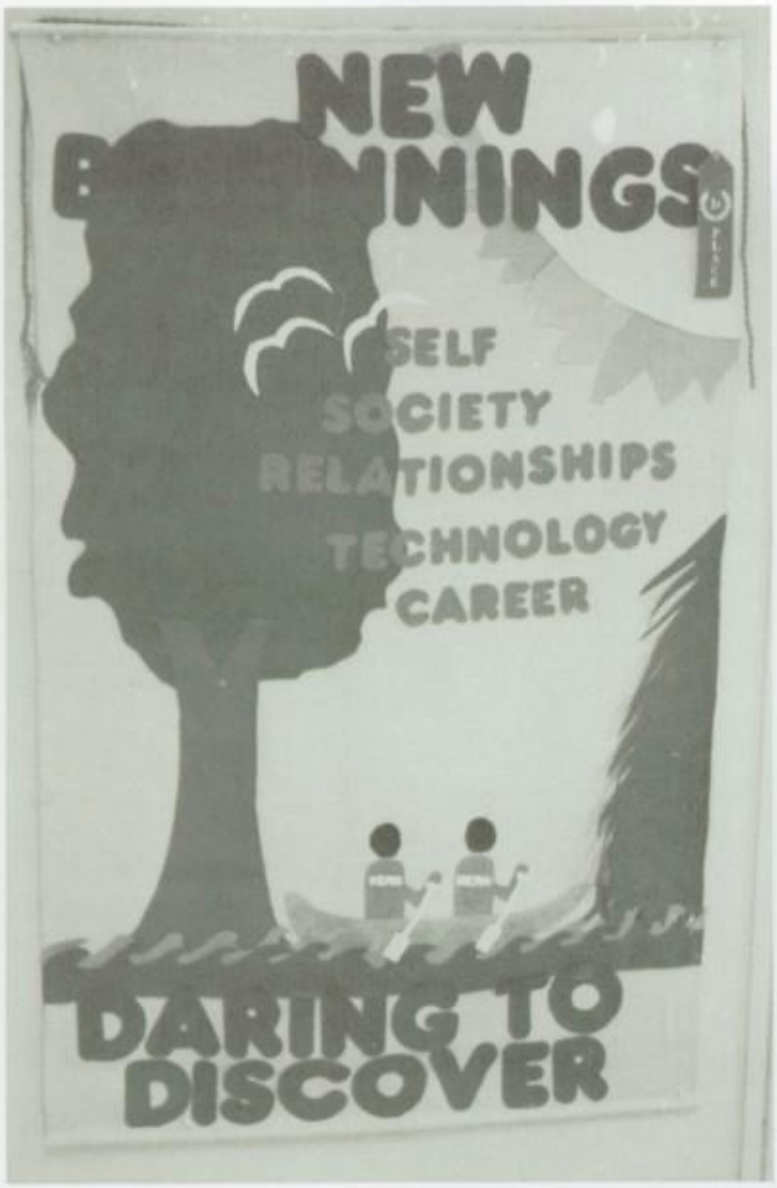
Auto Club. Bottom row: Brian Visintin, Booker Chepeck, John Hornick, Paul Gerondale, Sue Shipley, Willie Sedlar, Dave Staffelt, Peter Thielen, Mr. Dobrenzski. Top row: Scott Eckert, Eric Sunstrom, Mike Noll, Pat Kowalski, Mike Kotecki, Eric Barrgren, Paul Kraus, John Techmeier, Todd Johnson. **Auto Club Officers:** Booker Chepeck, Sue Shipley, Paul Kraus, and Eric Barrgren.

There may or may not be a "Christine" in Auto Club, but they do have Sue Shipley. Sue, who is the only girl in Auto Club, reigns as their president. Her officers include Booker Chepeck, Secretary; Eric Barrgren, vice president; Paul Kraus, treasurer.

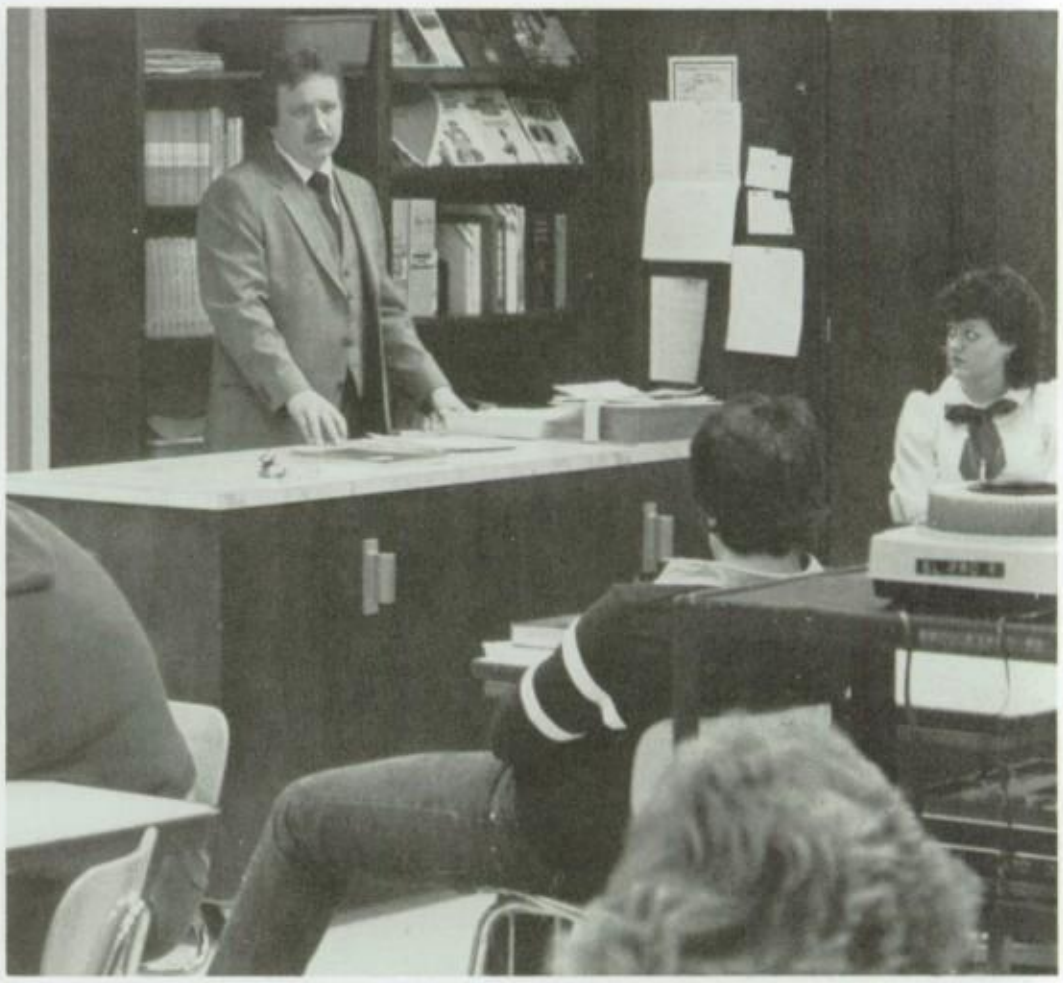
Auto Club consists of seniors in the two-hour block auto class. From an educational standpoint they sponsor their own tours to local industries and practice group dynamics. For the school they help finance small repair items for the shop.

They earn money by selling concessions at games, having car washes, selling aluminum cans, and doing odd jobs. They donate money to the canned food drive and to the Rescue Squad.

Mr. D., the adviser, is quoted as saying, "Basically we try to relate our club to civic and community concepts and goals. To provide students with some idea of how clubs operate. To bring forth a sense of togetherness and sharing for a common goal."



Clockwise from left: HERO banner that won first place at state. Mr. Randy McCauley from Stephenson National Bank gave a special presentation on credit. HERO class is busily working on daily assignments.

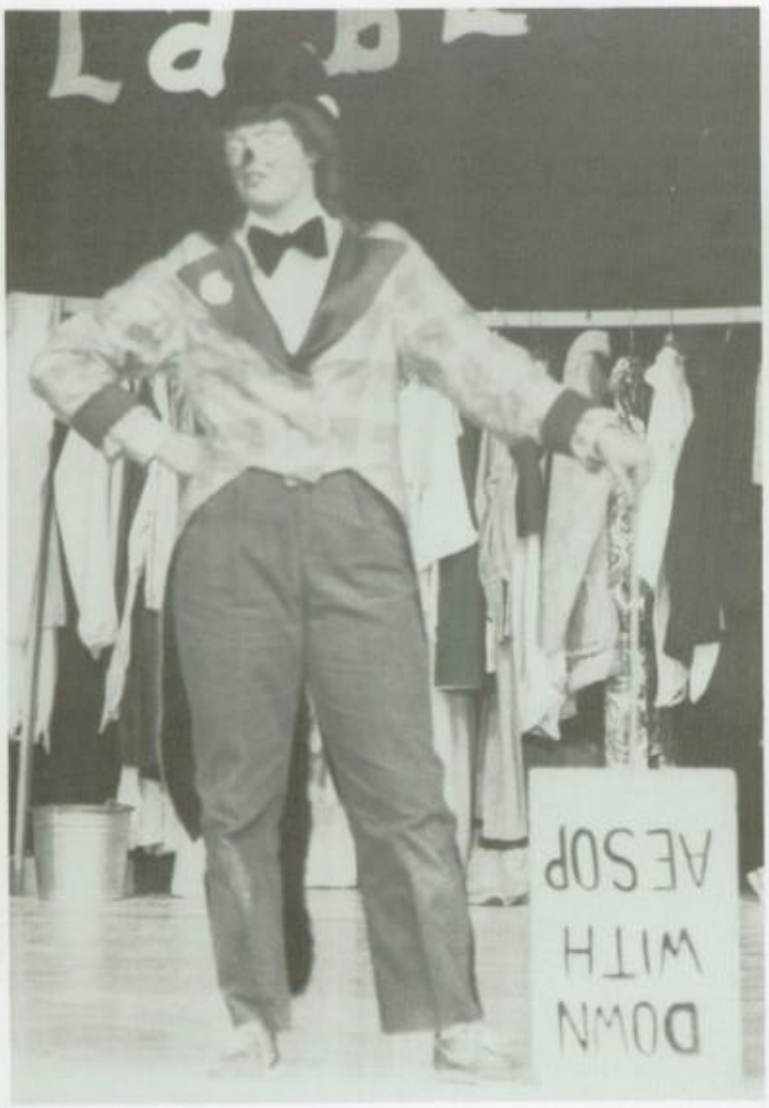


'Privileged' To Go To State

HERO. Bottom row: Lisa Brown, Marji Case, Sally Knutson. First row: Cheryl Mattison, John Cairns, Frank McCrossan, Lori Belling, Tammy Chartier. Second row: Paula Malek, Lynn Cherney, Judy Patnode, Kari Pazdera, Julie Ott, Jean Bernardy. Third row: Debbie Dreyer, Arlene Shampo, Kay Stujenske, Lisa Brooks, Cindy Lebick.

HERO (Home Economics Related Occupations) is a course that prepares students for the working world. Two credits can be earned, one for work in the classroom and another in the world of work in the community. The goals are to help students assume their roles in society in areas of personal growth, family life, vocational preparation, and community involvement.

This year HERO constructed a banner that won 1st place at District VIII FHA-HERO leadership meeting last October. Those competing were Lisa Brooks, Dennis Johnson, Frank McCrossan, and Cindy Lebick. The State theme, "New Beginnings-Daring to Discover" was chosen to emphasize the importance of discovering one's self, and one's potential.



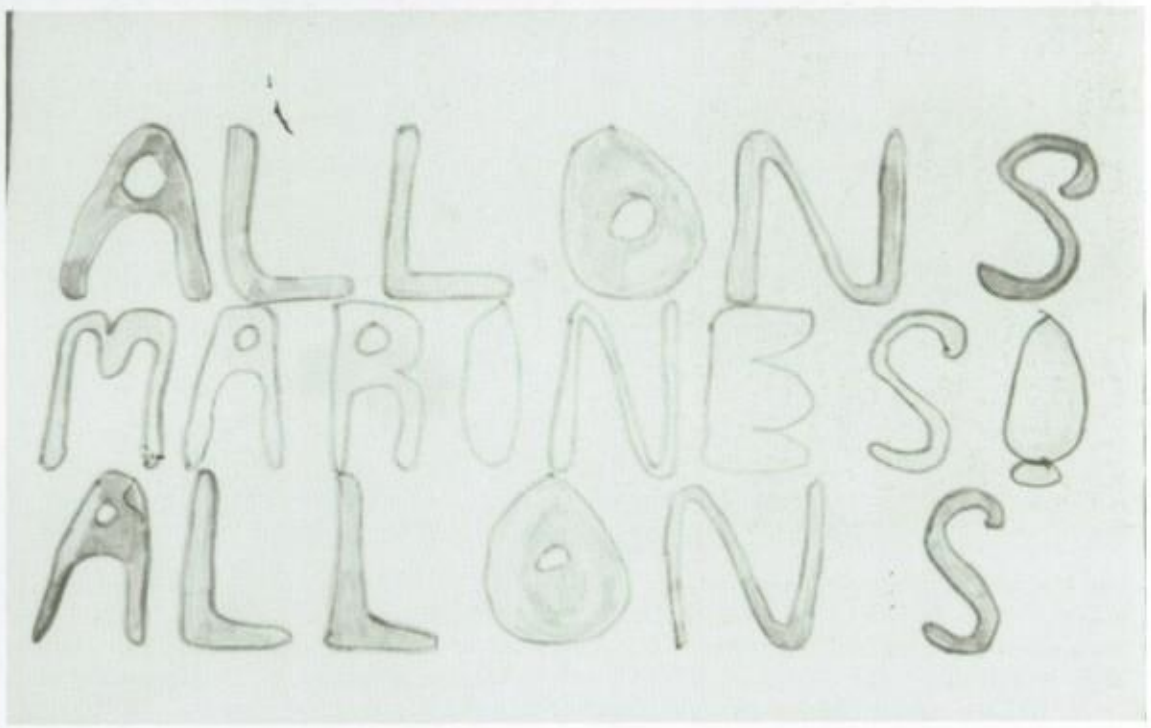
From bottom left: Heidi Espenscheid as well as the rest of the cast spent hours in front of the mirror perfecting their make-up. (Photo by Pam King.) Julie Wood (Wilfred M. Wolf) strongly protests the mistreatment of wolves in the fables. Some of the players move to their places as Jill explains the meaning of a falable. The constantly baa-ing sheep sisters, played by Lisa Hunt, Chris Salzman, and Gundi Gaiser, gab about the big race between the tortoise and the hare. Jill-in-the-Box, played by Kelly Hanley, again interrupts the action of the play with a moral while Nurse Stork (Tiffany Booker) listens intently. (Photos by Scott Urbaniak.)

Forensics Take Their 'Road Show' To State

Twelfth Night. Bottom row: Brenda LaMalfa, Kari Bohan, Ingy Liljestrand, Becky Howes, Debbie Dreyer. Second row: Randy Koehn, Rhonda Irwin, Tina Bader, Ruth Peterson, Kelly Hanely, Ginny Devine, Heidi Espenscheid, Tiffany Booker, Jon Howes, Third row: Dave Bedrosian, Tony Stepniak, Chris Wingender, Pam J. King, Lisa Hunt, Julie Wood, Robert Haller, Jamie Bauer, Elke Gaiser, Leann Delsart. Fourth row: Dale Meyers, Wael Khattab, William Beyer, Terry Haller, Michelle Dobrzenski, Mary Stepniak, Mike Craig, Jeff Marineau, Chip Hogan. Top row: Kevin Johnson, Troy Peterson, Nancy Walker, Kim Alwin, Amy Stiglbauer, Louise Meyer, Chris Salzman, Andrew Hanson, Lisa Brooks, Chris Telfer.

For the first time in 15 years members of the Twelfth Night Players advanced to the Wisconsin High School Forensics Association state finalist competition. The 23 members of "Aesop's Falables" competed with more than 40 other high schools from arouund the state of Wisconsin on December 2.

After passing the grueling hours of rehearsal which led to sub-district, district, sectional, and finally to state finalist level, Mrs. LaFave's cast and crew received a plaque and several individual medals. Before advancing to State the players performed at several local schools.



From top left clockwise: Miss Toth listens to one of her French Club members give an idea for Foreign Language Week. Gundi Gaiser, Amy Maedke, and Kathy Kotecki take time out of the meeting to pose for the camera. Signs were a big part of the promotion for French Club. Some French Club members work busily to finish signs for Foreign Language Week. Snoopy was the mascot of this year's French Club.

French Club Has 'Class'

French Club. Bottom row: Mary Louise Walters, Kimberly Kumpunen, Liz Woodky, Diane Jarentowski, Karna Wicklund, Moika Nergaard, Leann Delsart, Ginny Devine. Second row: Elke Gaiser, Randy Koehn, Tim Boyle, Stacy Bouplon, Dale Meyers, Brenda LaMalfa, Heather MacIntyre, Kendra J. Meyer, Julie Holmstrom, Becky Howes. Third row: Penny Marx, Chad Lantow, Eric Rakers, Karla Furst, Tina VanLaarhoven, Christine Camp, Gundi Gaiser, Tammi Walker, Mike Craig. Top row: Audra Race, Amy Schlueter, Beth Miller, William Beyer, Amy Maedke, Kathy Kotecki, Patti Boyle, Kris Furst, Nicole Brisson, Tracy L. Moore.

This year's French Club ran smoothly under the advisorship of Miss Toth. They had many activities to keep them busy over the year. The French Club had only one main fund-raiser this year, they sold "stocking stuffers" around Christmas time. The main reason for the fund-raiser was so they could raise funds to dine at the Chez Doulet, which is located in Oconto. The high point for the year came in the middle of March. This week was especially important for the club because this was Foreign Language Week for the state of Wisconsin. Many activities were planed for that week including transulating ordinary items around the school into a foreign language, putting up posters in the commons, and to end everything, a pot-luck with presentations from the students and area exchange students.

Student Senate: A New Beginning

A new governing was established at MHS this fall. The Student Senate was established after homeroom representatives were elected. A constitution was written and accepted in late September. The Senate elected officers who reside on the Executive Board along with one representative from each grade as well as the advisers.

This year's advisers were Mrs. Stank, Mrs. Corwin, Mr. Carlson, Mr. Kreiling, Mr. Bomber, and Mr. Howes.

Student Senate had a successful first year at Marinette. They accomplished such feats as putting a pop machine in the commons and having a trial period for black - soled shoes. After the dissolution of the Student Council, the Senate sponsored Winterfest with help from Mrs. Evans and the Literary Club. The Student Senate also planned to go through the student handbook and recommend changes. They also planned a menu change in the hot lunch program.

Third row: Jeff Fischer, Mike Craig, Connie Piontkowski, Jamie Bauer, Kelly Menor, Gayle Madsen, Jodi Messenger. Fourth row: Michelle Behnke, Heidi Gruman, Gary Jessel, Neil Gribbins, Dave Kunesh, Tiffany Booker, Wally Sedlar, Cathy Singer, Ed Demeuse. Absent: Scott Lauerman, Lance Rowley, John Schewe, Roger Wickland, Mike Drees, Lauri Kotecki, Tim Peterson, Tim Quick, Jerry Eckert, Roxanne Beaudo, Tracy Koeller.

The Literary Club's second year proved to be a very active one. For starters the club sponsored a talent show featuring a variety of acting, dancing and music with the one and only appearance of "the Real Band". They also started the year off with an exciting trip to Chicago in which they attended the opera "La Boheme" in the Lyric Opera House, and "the Nutcracker" play in the Aerie Crown Theatre. They also visited the Water Tower Mall. A few of their goals for the year include sponsoring Winterfest, an end-of-the-year potluck and a prize for a successful half-court shot at one of the upcoming basketball games.

Above: Tracy Koeller sings to the seniors "Where do we go from here?"
